

# A MOTORCYCLE ADVENTURE

On June 15, 2014 I will be leaving on a motorcycle adventure of a lifetime. I will be riding to Alaska on my Harley. Four people and three Harleys. We will cover an estimated 8000 miles in 30 days. We will ride north to the famed AlCan Highway at Dawson Creek to Whitehorse, Fairbanks, Denali, Seward and back down through British Columbia. All along the way I will be taking video, still photos, and doing roadside paintings, documenting the people we meet, the sites we see and the entire adventure. Upon my return, I will produce a Special Limited Edition video on DVD of the adventure, a series of Limited Edition prints from paintings I do as well as having a exhibit and sale of the paintings themselves.

If you would like an opportunity to purchase one of these limited “souvenirs”, I invite you to sign up for my “Passport to Adventure” program with which you can **secure in advance** your Special Limited Edition signed DVD, a Limited Edition signed and numbered print or one of the select original paintings done from this trip.

You will also have the opportunity to “virtually” follow us on our adventure by going to [www.mikesimpsonart.com](http://www.mikesimpsonart.com) where I will be posting photos, video and commentary from each day of this adventure.
